It is that time of year when we all start thinking *about* snow, *whether* it will snow, how *much* it will snow and **WHEN WILL ELK OPEN** so we can start skiing! The good news is that the Elk Mountain Super Savers Ski Package is here and available to all donors to the 2017 sustaining fund drive. Please keep in mind that this program is developed by Elk Mountain and offered as a courtesy to the Comm as well as other schools and organizations. Enclosed is the Elk Mountain participation brochure, registration form, rental agreement and release of liability.

Please read the participation brochure thoroughly for pricing, dates and photo ID requirements and note the following:

- The fees are established by Elk Mountain. The Comm is adding a \$5.00 surcharge. The Program is open to all Sustaining Fund donors with a minimum donation of \$25.00 per family.
- A sustaining fund donation may be made upon registration if you have not donated to date.
- The registration forms must be delivered directly to the Comm office, not Elk Mountain, and checks must be made payable to Waverly Community House, not Elk Mountain.
- Elk will NOT directly accept registration forms from participants in the Waverly Community House Super Saver program.
- Payment may be made with MasterCard, Visa, Discover, or American Express.
- Kindly refer all questions to the Comm office as Elk Mountain does not wish to be directly involved in administering the many programs it offers.
- The “early registration” vouchers will be given to the participant’s at Elk by the Elk Mountain staff. They are not sent to the Comm.

This is a wonderful program, offering an affordable day of skiing with lessons.

The participation brochure and registration form are on the website and available at the Comm office and in the lobby. Kindly be mindful of the deadlines as Elk strictly adheres to those dates.

Thank you and happy skiing!

# STEP 1

CLASSIFY YOURSELF...

# what type of skier are you?

...please determine your ability and proceed to Step #2.

Determining your skier type is your responsibility!

Your skier type, height, weight, age and ski boot sole length are used by the shop to determine the visual indicator settings of your ski bindings.

Be sure to provide accurate information, as any error may increase your risk of injury. Consult these descriptions to select your classification:

**1 TYPE**

"CAUTIOUS SKIING AT LOWER VISUAL SETTINGS"

- Prefer slow to moderate speeds.
- Prefer gentle to moderate terrain.
- Receive lower than average visual indicator settings. This may increase the risk of inadvertent binding release in order to increase the likelihood of release in a fall.
- Type 1 settings apply to "entry-level skiers uncertain of their classification".

**2 TYPE**

"MODERATE SKIING AT AVERAGE VISUAL INDICATOR SETTINGS"

- Prefer a variety of speeds.
- Prefer varied terrain.
- Type 2 skiers are skiers who do not meet all the descriptions of Type 1 or Type 3 skier types.

**3 TYPE**

"AGGRESSIVE SKIING AT HIGHER VISUAL INDICATOR SETTINGS"

- Prefer fast speeds.
- Prefer steep terrain.
- Receive higher than average visual indicator settings. This may reduce the likelihood of release in a fall in order to decrease the risk of inadvertent binding release.

**1- TYPE**

For skiers who desire visual indicator settings lower than settings for a Type 1 skier".

**3+ TYPE**

For skiers who desire visual indicator settings higher than settings for a Type 3 skier".

**RENTAL AGREEMENT AND  
RELEASE OF LIABILITY**

I accept for use AS IS the equipment listed on this form, and accept full responsibility for the care of the equipment while it is in my possession.

I will be responsible for the replacement at full retail value of any equipment rented under this form, but not returned to the shop.

I understand that there are inherent and other risks involved in the sport of skiing for which ski rental equipment is to be used, that injuries are a common and ordinary occurrence of the sport, AND THAT INJURIES, INCLUDING KNEE INJURIES, CAN OCCUR REGARDLESS OF THE USE OF A SKIBOOT INCLUDING BINDING SYSTEM, and I freely assume those risks.

I understand that the skiboot binding system will not release at all times or under all circumstances, nor is it possible to predict every situation in which it will release, and is therefore no guarantee for my safety.

I understand that the snowboard/boot binding system will NOT ORDINARILY RELEASE during use, nor is it specifically designed to release as the result of forces induced during ordinary operation, and is therefore ABSOLUTELY NO GUARANTEE FOR MY SAFETY of any injury that may occur.

I HEREBY RELEASE ELK MOUNTAIN AND ITS OWNERS, AGENTS AND EMPLOYEES FROM ANY AND ALL LIABILITY FOR DAMAGE AND INJURY TO MYSELF OR TO ANY PERSON OR PROPERTY RESULTING FROM NEGLIGENCE, INSTALLATION, MAINTENANCE, THE SELECTION, ADJUSTMENT AND USE OF THIS EQUIPMENT OR ANY OTHER EQUIPMENT RENTED TO ME OR WORKED ON BY ELK MOUNTAIN, ACCEPTING MYSELF THE FULL RESPONSIBILITY FOR ANY AND ALL SUCH DAMAGES OR INJURY WHICH MAY RESULT.

I have made no misrepresentation to the ski shop in regard to my height, weight, age or skier type.

I promise that I will check that the visual indicators on my bindings correspond to the settings as shown on this rental agreement.

I promise that I will listen to all instructions on how to use this rental equipment, and if I don't understand I will ask for clarification.

I understand that if involved in an accident at this ski area I must report it immediately.

I know that I must ski in control at all times and adhere to Skiers Responsibility Code.

I understand that I will be charged a \$10.00 service charge for all late returns. I also understand that I am responsible if any equipment is lost or stolen.

I will retain a copy of my daily rental agreement receipt form. It is necessary when returning my equipment.

Alpine, Nordic and Snowboard skiing, including the use of lifts is a dangerous sport with inherent and other risks. These risks include but are not limited to variations in snow, steepness and terrain, trail side drop-offs, ice and icy conditions, moguls, rocks, trees, and other forms of forest growth or debris (above or below the surface), bare spots, lift towers, utility lines, poles and guy wires, snowmaking equipment and component parts, trail fences and the absence of such fences and other forms of natural or man-made obstacles on and/or off designated trails as well as collisions with equipment, obstacles or other skiers. Trail conditions vary constantly because of weather changes and skier use. These are some of the risks of skiing. All of the inherent and other risks of skiing present the risk of serious and/or fatal injury.

IN CONSIDERATION OF USING THIS EQUIPMENT AND ELK'S SKI FACILITIES, I AGREE TO ACCEPT THE RISKS OF SKIING AND AGREE NOT TO SUE ELK MOUNTAIN SKI RESORT, INC. OR ITS EMPLOYEES IF HURT WHILE USING THE SKI FACILITIES REGARDLESS OF ANY NEGLIGENCE OR OTHER IMPROPER CONDUCT OF ELK MOUNTAIN SKI RESORT, INC. OR ITS EMPLOYEES OR AGENTS.

I agree that all disputes arising under this contract and/or from my use of the facilities at Elk Mountain Ski Resort, Inc. shall be litigated exclusively in the Court of Common Pleas of Susquehanna County or in the United States District Court for the Middle District of Pennsylvania.

The purchaser or user of this ticket voluntarily assumes the risk of injury while participating in this sport.

I HAVE READ THIS AGREEMENT RELEASING ELK MOUNTAIN FROM LIABILITY. I VOLUNTARILY AGREE TO THE TERMS OF THIS AGREEMENT.
