

WE ARE COMMITTED TO COMMUNITY SERVICE

That's why we created the Student Volunteer Registry, a program that makes it easy for students and youth leaders to find and complete volunteer projects that will benefit their own community. We hope that this program will create a lasting partnership between the Comm and local students, as well as foster a strong sense of philanthropy and service that will stay with our volunteers for years to come.

The Student Volunteer Registry at the Waverly Community House will support students by providing them with a safe, friendly, and convenient environment in which to volunteer.

In turn, students will support the Comm, and the community, by giving the gift of service. Students, as well as scout and youth leaders, are encouraged to get involved with the Student Volunteer Registry!

GET INVOLVED!

❶ Decide which project(s) you're interested in.

Volunteer for any of the events below, or call the Comm office (570.586.8191) to propose your own project! We also welcome help with some of our year-round needs, like outdoor work, bulk mailings, and babysitting the children of adult volunteers.

Halloween Party
