

Camp Create is a visual and theatre arts day camp. It is specifically designed and planned for children who have special needs, including physical, cognitive, emotional and behavioral challenges.

The camp offers a unique blend of art and theatre instruction and games that are based around each week's exciting theme. Led by Steve and Amy Colley of The Dietrich Theatre and Michaela Moore of All About Theatre Performing Arts School, Camp Create is a mix of fun and learning, with consideration for children's individual needs and interests.
