Executive Director: Michelle Hamilton

The Waverly Community House is a 501(c) 3 charitable organization committed to offering educational, recreational and cultural opportunities to individuals and families in the region.

Welcome to Comm Kids Preschool!

Our Program

Our Philosophy: The Comm has a long standing commitment to Early Childhood Education that dates all the way back to our first kindergarten class in 1921. Our children's programs reflect Paul Belin's idea of "education through recreation," something we believe wholeheartedly. We focus on the growth and well being of the whole child, both intellectually, and socially and emotionally. Children learn in a multitude of ways, and we make it our mission to incorporate as many of those ways into our curriculum as possible.

Guided Free Play: During this activity, children work on their social and emotional skills; specifically how to share and work together with others, as well as how to conquer physical and social obstacles.

Planned Lessons: Emphasis is placed on learning colors and shapes, counting and number recognition, name and letter recognition, and phonemic awareness skills. Experiments and observations in science and the natural world, are included. Special attention is given to the development of reasoning, organization, and problem solving skills, as well as fine and gross motor development. Arts, music and literature are incorporated daily .

Conferences: Conferences will be held in January. Questions or concerns may be discussed at any time.

Snack Time: Allergy safe snacks will be provided daily for your child. Special snacks are most welcome for birthday celebrations, but must be peanut and tree nut free.

Parent Involvement: Parents are invited to visit the school at any time! We invite you to sign up to be a holiday party helper, mystery guest reader, or come to share with us about a special job, talent, or holiday! Parent participation is strongly encouraged and greatly appreciated!

Outdoor Play: This is an important part of our daily program! Please dress your child in appropriate clothes for outdoor play everyday.

Health & Safety: Please keep your child home if they are not feeling well. Additionally, please report any contagious diseases in your household, as well as any medications your child is taking. Children must be accompanied to and from the classroom by an adult. If your child will be picked up by other than yourself, please inform your child's teachers.

Weather Cancellation Policy: Comm Kids follows the Abington Heights School District in regards to snow closures and delays. We do not offer child care for snow days.
